

DEAR GUEST, WE ARE PLEASED TO WELCOME YOU TO OUR EVENT AT WHICH WE GUARANTEE THE HIGHEST STANDARDS OF PROTECTION AGAINST COVID-19 TRANSMISSION. FOR THIS PURPOSE, WE INFORM YOU THAT A SPECIFIC COVID-19 SAFETY PROTOCOL HAS BEEN PREPARED, WHICH WE ASK YOU TO ADHERE TO BY FOLLOWING THE INFORMATION AND REQUIREMENTS SET OUT BELOW:

- In order to protect your health and that of others, as required by the COVID-19 regulations in force, we inform you that participants must have a Green Pass in order to take part in the event. You will be asked to kindly present the QR Code in order for the check required by law to be carried out, using the VerificaC19 government app.
- The event areas are organised to guarantee access in an orderly manner, to prevent crowds of people and to ensure that those present can stay at least 1 metre apart.
- At the entrance, you will be welcomed by our staff who will arrange your registration. At these points, you can consult further information useful for your health and safety inside the areas.
- Before accessing the venue, your temperature will be measured and if it is higher than 37.5 °C, you will not be allowed to enter. You will be supported by our staff and informed of the need to contact your doctor.
- You will be asked to wear a face mask, which we will provide you with, at all times, although please note that it is not mandatory outdoors if you are at least 1 metre apart from other guests. It is, however, mandatory indoors even if social distancing is maintained. If it gets lost or breaks, please notify us immediately and we will provide you with a new one.
- When eating or drinking with your face mask down, we ask you to always keep at least 1 metre apart from the other participants in order to better protect your health.
- Within the event area, hand hygiene products will be available at various points such as the entrance and bathrooms. Please sanitise your hands frequently.
- Seating has been designed to guarantee the minimum social distancing of 1 metre required by law. For any seats accommodating multiple guests please follow the indications regarding where you can and cannot sit, shown on signs which you will find directly affixed to the seats.
- Please do not touch other people's technical equipment and seats, always keeping at least 1 metre apart from any other guest, both while heading to your reserved position and during the event itself.
- Please note that all the communal areas, the bathrooms and the surfaces touched most frequently are cleaned, sanitised and disinfected on an ongoing basis.
- Signs reminding guests of the rules and marking out routes are present in the event area. Please respect all indications and requirements.
- Please contact our staff should you require any help. We wish you a pleasant experience.

Safety is a non-negotiable priority. For your saf

Safety is a non-negotiable priority. For your safety and the safety of others, carefully follow the rules of conduct and procedures in the case of an emergency.

EVACUATION

Evacuation is indicated by special audio and visual signals. If evacuation is necessary:

- Stay calm;
- Leave your Event Area taking the shortest way out;
- Do not use the elevators;
- Do not linger;
- Help, if possible, any people in difficulty;
- Follow the instructions of emergency personnel, identified by a specific identification badge (firefighting team);
- Once outside, go to the closest assembly point (see the meeting points on the attached map);
- Do not go back into the building until the "emergency over" signal is given.
